

## BVLGARI LVCEA MOON PHASES

Light meets the moon. The Roman jeweller loves playing with contrasts and is ramping up the seduction of its glowing LVCEA by enriching it with moon-phase indications. Two-tone gold and steel, 36mm, automatic Caliber BVL 210, pink gold bezel, cabochon-cut stone with a diamond on the pink gold crown; white mother-of-pearl dial with diamond indexes; shiny purple alligator strap with a pink gold ardillon buckle.
