

ZRC 1964 SPIRIT

The 1964 Spirit by ZRC is a pure tribute to the legendary Grands Fonds 300. Based on state-of-the-art watchmaking knowhow, the vintage design features a bulky 4mm sapphire glass box, an aged finish to the hands, eggshell luminous inserts and an old-time patina on its dial. With reliability a given thanks to its precise movement, it is a natural fit for every situation.
